300 kg drums
1400 kg IBC's

YOUR PARTNER FOR FUNCTIONAL INGREDIENTS

OUR PRODUCTS

Tapioca syrup is extracted from cassava, a common root vegetable. The addition of modern enzymes produces a smooth, sweet flavor with a pleasant hint of nectar. Our range of conventional and organic tapioca extracts is available in liquid and solid form. It offers a wide variety of dextrose equivalents and sugar structures, giving your preparations a range of functionalities and attractive packaging claims.

Product Category	Product	Organic	Conventional	Infant Safe	Colour Range	Dextrose Equivalent	Glucose %	Maltose %
Tapioca Syrup	Tapioca Syrup 28DE	•	•	•	Clarified-Brown	27-33	2-10	9-17

Functionality

- Natural sweetening
- Thickening
- Fiber fortification
- Crystal control
- Freeze & thaw stable
- Binding agent
- Fat replacing
- Soft structure
- Low water activity
- Natural colour

Properties

- Allergen-free
- Clean Label
- Gluten-free
- GMO-free
- Lactose-free
- Vegan

Certificates

FSSC 22000 HACCP Halal ISO 9001 Kosher Organic EU USDA-NOP

Applications

Baby Food
 Bakery
 Bars & Snacks
 Beverages
 Cereals
 Confectionary
 Desserts & Ice Creams
 Dressings & Sauces
