

Visit our booths and meet our HARKE teams
at various trade shows, exhibitions and symposia

Making Pharmaceuticals Ireland 2022
Dublin, Ireland
Tuesday, Sept. 27, to Thursday, Sept. 28, 2022

Venue: RDS Dublin, Ireland

Date: Tuesday, September 27, to Thursday, September 28, 2022

Stand: 220

Making Pharmaceutical Conference & Exhibition showcases equipments, services and raw materials for pharmaceutical applications.

HARKE Pharma and Chemlink Specialities will join this event again exhibiting our portfolio on **stand 220**.

You want to know more about our functional excipients, their suitability in various technologies and formulations or you have a specific formulation challenge where you need some ideas?

Visit our stand to discuss your specific matters.

We look forward to many fruitful discussions.

If you have any further questions, please do not hesitate to contact Ms Shilpa Mistry, e-mail: smi@chemlink.harke.com.
